WINE ENTHUSIAST®

THE WORLD IN YOUR GLASS

BUYING GUIDE

93 Cambiata 2013 Dornfelder (Santa Lucia Highlands). An incredibly dark wine by veteran winemaker Eric Laumann, this rarely tapped varietal offers lush and deep aromas of blackberry pie, black currant syrup, licorice soda and mint-chip ice cream. Velvety, tongue-tingling and extremely lengthy on the palate, it shows almost port-like flavors of milk chocolate, blueberry juice, peppery mint, cherry liqueur-filled chocolate and ripe raspberry-cranberry juice. *Editors' Choice.* —M.K.
